CRUZ COUNTY, ARIZONA)

On February 19, 2010, Cayetano, Inc. DBA Lakewood Water Company ("Lakewood") filed an Application and supporting Appendices "A" through "M" in support of its request for a Commission Opinion and Order granting Lakewood a new Certificate of Convenience and Necessity ("CC&N") to provide water service to and within the area legally described and graphically depicted in Appendices "D" and "E" to the aforesaid Application. On February 23, 2010, by means of an email received from a member of the Commission's Utilities Division Staff, undersigned counsel for Lakewood was advised that the Commission Staff believes the aforesaid Application should have requested the granting of an extension to Lakewood's existing CC&N rather than the granting of a new CC&N. A copy of that email is attached hereto as Appendix "N," and is incorporated herein by this reference.

Accordingly, by means of this Amended Application, Lakewood hereby requests that the Commission issue an Opinion and Order granting an extension to the CC&N previously granted to Lakewood in Decision No. 59304 (September 22, 1995) to include the area legally described and graphically depicted in Appendices "D" and "E" to the aforesaid February 19, 2010 Application. Hi, Larry! This is to inform you that after a preliminary review of the above mentioned filing, Staff noted that the requested relief should have been for a **CC&N Extension** and not a new **CC&N**. Please amend the application. Thanks! BNC
